

The Honorable Obscurity Handbook: Solidarity Sound Advice for Writers and Artists (Paperback)

Filesize: 8.95 MB

Reviews

This book is definitely not effortless to begin on looking at but quite entertaining to read. Better than never, though i am quite late in start reading this one. I am just easily can get a enjoyment of looking at a written ebook.

Atelier26 Books, 2014. Paperback. Condition: New. Language: English . Brand New Book. Part consoling sourcebook, part cultural commentary, and part wry self-help manual, this gloriously uncynical handbook provides advice for creatives struggling in a career world awash in bottom-line thinking. With an appealing blend of sound counsel, good humor, and vivid historical and literary anecdotes, M. Allen Cunningham offers solidarity to any writer or artist working against the grain of the times, and reminds us that obscurity, rather than being cause for shame, is a time-honored condition of the serious, committed artist. Readers will laugh aloud at the e-mails received by Henry David Thoreau s literary agent in response to his bloated and incoherent book *Walden*, and will underline and annotate the margins in such pieces as *In the Absence of Yes*, Cunningham s bracing perspective on endless rejection. Hailed by Cynthia Ozick as ingenious.important.inspiring and inspiring, this unique handbook is unlike any volume on creativity you have read before. It is packed with insights -- both practical and philosophical -- that will appeal to every creative person you know.
