DIVERSITY AND MOTIVATION: CULTURALLY RESPONSIVE TEACHING IN COLLEGE (HARDBACK)**DOWNLOAD**

John Wiley Sons Inc, United States, 2009. Hardback. Condition: New. 2nd Edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. When the first edition of Diversity and Motivation was published in 1995, it became a premier resource for faculty and administrators seeking effective and practical strategies that foster motivation among culturally diverse student groups. This revised and updated second edition of Diversity and Motivation offers a comprehensive understanding of teaching methods that promote respect, relevance, engagement, and academic success. Margery B. Ginsberg and Raymond J. Wlodkowski base their insights and concrete suggestions on their experiences and research as college faculty. The book defines norms, illustrates practices, and provides tools to develop four foundational conditions for intrinsically motivated learning: establishing inclusion, developing a positive attitude, enhancing meaning, and engendering competence. The authors provide perspectives on the social justice implications of each condition. Diversity and Motivation includes resources to help educators create a supportive community of learners, facilitate equitable discussions in linguistically diverse classrooms, design engaging lessons, and assess students fairly. The ideas in this book apply across disciplines and include teaching practices that can be easily adapted to a range of postsecondary settings. In addition, the authors include a cohesive approach to syllabus construction, lesson design, and faculty development. This new edition also contains a framework for motivating students outside traditional classroom settings.
