It is formed on a plan similar to that of many of the universities of Europe; and funds to the amount of about \$120,000, had, early in the year 1833, been raised by individuals; and the capital is divided into transferable shares of \$25 each. Its government is vested in 32 shareholders, elected by shareholders, together with the mayor and four members of the common council of the city of New York for the time being. In this board of 37 members, no one religious denomination is allowed to have a majority; and persons of every religious denomination are eligible to all offices. The annual meeting of the shareholders is on the 1st Monday in November. The university comprises two departments j one for the higher branches of literature and science; the other embraces what is...
