

Nature s Best: Hunters (Hardback)

By Tom Jackson

Hachette Children s Group, United Kingdom, 2013. Hardback. Condition: New. UK ed.. Language: English . Brand New Book. Some animals have developed astonishing techniques to hunt and kill their prey. From the humpback whale s bubble nets that capture hundreds of fish, to the komodo dragon s deadly saliva, the creatures featured in this book are equipped with hunting abilities that are both unique and out-of-this-world. Find out more about these masters of predation and learn how evolution has shaped each animal s hunting strategy and killing technique.Vivid, arresting photography paired with captivating animal encounters make this book a thrilling introduction to some of the basics of evolutionary theory.

Reviews

Unquestionably, this is actually the greatest function by any author. I was able to comprehended every little thing using this created e ebook. Its been printed in an remarkably straightforward way which is merely following i finished reading this ebook in which in fact altered me, alter the way i think. -- Arianna Witting

An exceptional book as well as the font used was exciting to read. It is actually rally intriguing throgh reading time. You will not sense monotony at anytime of the time (that's what catalogues are for about when you ask me).
