

Performance Practice in the Music of Steve Reich (Paperback)

By Russell Hartenberger

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2018. Paperback. Condition: New. Language: English . Brand New Book. Performance Practice in the Music of Steve Reich provides a performer's perspective on Steve Reich's compositions from his iconic minimalist work, *Drumming*, to his masterpiece, *Music for 18 Musicians*. It addresses performance issues encountered by the musicians in Reich's original ensemble and the techniques they developed to bring his compositions to life. Drawing comparisons with West African drumming and other non-Western music, the book highlights ideas that are helpful in the understanding and performance of rhythm in all pulse-based music. Through conversations and interviews with the author, Reich discusses his percussion background and his thoughts about rhythm in relation to the music of Ghana, Bali, India, and jazz. He explains how he used rhythm in his early compositions, the time feel he wants in his music, the kind of performer who seems to be drawn to his music, and the way perceptual and metrical ambiguity create interest in repetitive music.

Reviews

Very useful for all group of people. It is amongst the most incredible pdf i actually have read through. Its been written in an extremely straightforward way and it is just right after i finished reading through this pdf by which basically modified me, change the way i think.

-- Felicia Nikolaus

These sorts of ebook is the ideal book offered. It can be written in simple terms rather than confusing. I discovered this pdf from my dad and i advised this publication to understand.
