*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

SAVING A WHITE KNIGHT (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Saving a White Knight is an erotic story dealing with the effects of university social politics on men in the United States. University Professor Russell Patton hates himself, and he does not even know it. Known to others as a white knight, Russell, suffering from stress and frequent headaches, lives his life in a shroud of political correctness, unable to see beyond the boundaries. Sometimes, the headaches become too painful and the stress too intense, and Russell sneaks away guiltily for a happy ending massage on the other side of town. A series of events, beginning with a false discrimination complaint, force Russell to examine his life and conditioned beliefs. The novella serves as an indictment of political correctness, conformity and social culture on United States university campuses, but it is also romantic and erotic with plenty of graphic sex scenes. Saving a White Knight is ultimately a coming-of-age story for men.
