TELCO GLOBAL CONNECT VOL 4: THE QUEST FOR DIGITAL TELCO (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The notion of Digital Telco remains hazy at best to many in the industry.Clever Telcos know that going Digital is backboned on customer intimacy coupled with their skills and assets in identity and authentication, payments, device management, customer care etc.This Book unpacks the main building blocks of a Digital Telco and provides insights to help Telco Execs craft a viable strategy.To win in the Digital Era, companies must be dynamic enough to identify the risks posed by disruptors to their business, and to maximize their revenues in the face of tough competition.The new, digitally connected world is driving transformation, bringing with it new players, advanced applications, broadband services and higher QoS demands.
