Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Like our ancestors before us, the Ebola virus came here to seek a better life. And, difficult as it may be to tolerate this alien life form that has invaded our country and burdened our healthcare system, it is entitled to life, happiness and, yes, even to vote without presenting a photo I.D. In the 1950s, Americans accepted the inevitability of life in an Atomic Age. School-age children so-routinely participated in Duck and Cover Drills that they became part of everyday life. Anxiety was mitigated, life went on. So too is it possible to coexist with the threat of the Ebola virus.
