GARDEN GIRL AND THE SALT AND PEPPER SHAKER (PAPERBACK)

Createspace, United States, 2011. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Garden girl is a short story written for young readers, paralleling the natural health activist lifestyle and responsibility, to inspire on the path of natural health for the benefits of living green . The action begins in the city, where the salt and pepper shakers are trying to take over the stores and dining tables, and crowd out herbs and healthy products. Garden girl learns about tricks that salt and pepper shakers are trying to play, right in her own garden, to take over, and takes back her power, as she resists misuse of any product, stays convicted in her natural health beliefs, and helps show others the way. Yet other risky product characters, like medicine bottles and cleaning chemicals, try to do the same thing as the salt and pepper shakers, so Garden girl moves to the country to protect her plants and finds a better way of life, where she expands to makes even more natural health products. She eventually brings many more people to her side, when the bad characters greed and evil turn bad and ruins many people s good nature and health.
