The University of Alabama Press, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. An English translation from one of Latin America s most distinguished poets. Jose Kozler is one of the most influential contemporary Cuban poets working today. A key figure in the neobaroque movement within contemporary Latin American poetry, he is one of only three Cubans to ever win the Pablo Neruda Prize given by the Neruda Foundation in Chile. He is the author of close to ninety books, including *Este judio de numeros y letras*, *Bajo este cien*, *La garza sin sombras*, *Carece de causa*, and *Y del esparto la invariabilidad*. Kozler is also noteworthy as a key poet of the Cuban diaspora, having left Cuba in 1960 and residing ever since in the United States. *Of Such a Nature/Indole* is a bilingual edition translated into English by Peter Boyle. In addition, Boyle provides an extensive introduction placing Kozler s work in a critical context. The Spanish word *indole* can be translated as: a type, a sort, or that sort of thing. The title, *Indole*, therefore suggests that the poems gathered in this collection, are all instances of specific types of situations, things, or experiences. Kozler has gathered a collection of poems about everyday life-cleaning one s dentures, a woman leaning over a bowl of oatmeal, a salamander glimpsed while eating breakfast-but always with death not far away. *Of Such a Nature/Indole* is a remarkable collection of poems published in Cuba in 2012, covering such materials as Kozler s Jewish heritage, his Cuban childhood and ongoing connection to the Island, Buddhist and East Asian traditions of spiritual practice, his everyday life in Florida with Guadalupe, ageing, illness, and the shadow of death. Irony and humor are there as well, and to read these poems...
