PASCALS GOD- SHAPED VACUUM

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 290 pages. Dimensions: 9.2in. x 6.1in. x 0.8in. Blaise Pascal wrote the Penses to his skeptical and restless friends to move them to seek God. The Penses are widely regarded as one of the most exhilarating and effective defenses of the Christian faith ever written, particularly for today's readers who resemble Pascal's friends. This comprehensive guided tour of Pascal's Penses, plus biography of Pascal's courageous life, aims to benefit seekers and believers by conveying Pascal's insights into: (1) Why a human being is miserable without God; (2) Why Christianity uniquely offers a winsome and efficacious cure; and (3) Why Christianity, despite modern objections, is plausibly true. The greatest significance of Pascal's Penses may be their compelling articulation of the unique relevance of Christ's gospel for our time. In T. S. Eliot's words, But I can think of no Christian writer, not Newman even, more to be commended than Pascal to those who doubt, but who have the mind to conceive, and the sensibility to feel, the disorder, the futility, the meaninglessness, the mystery of life and suffering, and who can only find peace through a satisfaction of the whole being. Pascal's signature Pense undergirding the themes of this guided tour is number 148: What else does this craving proclaim but that there was once in man a true state of happiness, of which all that now remains is the empty print and trace. This he tries in vain to fill with everything around him though none can help, since this infinite abyss can be filled only with an infinite and immutable object, in other words by God himself. Through this Pense and many others Pascal wakes us up to appreciate that we may have a God-shaped vacuum in our...
