

Elizabeth: Her Life, Our Times: A Diamond Jubilee Celebration

Filesize: 3.84 MB

Reviews

This written publication is wonderful. It is probably the most incredible publication i actually have read through. Its been written in an extremely basic way in fact it is merely following i finished reading this publication where basically transformed me, alter the way i believe.

Ebury Publishing, United Kingdom, 2013. Paperback. Book Condition: New. 198 x 126 mm. Language: N/A. Brand New Book. On 2 June 1953, 27-year-old Princess Elizabeth of York was crowned Queen, the eyes of the world upon her as she dedicated herself to her country. It is fascinating to look back over the sixty years since then and see how this remarkable woman, decade by decade, has brought the monarchy into the modern world, earning admiration and respect for her unerring sense of duty, her determination to innovate, her tremendous dignity, integrity and wisdom. Drawing from his own experience and time spent with the royal family, alongside additional meticulous research, Alan Titchmarsh observes the woman, the mother and the monarch. He explores key moments in her reign, both personal to her and in a wider historical context, and traces how our relationship with the royal family has developed and morphed, gone through ups and downs, but is arguably now stronger than ever in this very special anniversary year. Featuring wonderful memorabilia and rarely seen archive photography, Elizabeth II: Her Life, Our Times defines an era, pays tribute to our inexhaustible Queen and celebrates the example of responsibility, loyalty and patriotism she has set for generations past, present and future. She is an inspiration to us all.
